Dear Parents

Re: JUNIOR SCHOOL COCURRICULAR PROGRAMME

Kidz 'n Sport will continue in Term 4. It is an organisation that runs cocurricular sport opportunities for Kindergarten to Year 3 students. It aims to advance children's athletic/health and hand/foot eye coordination skills by building on the skills already covered in our Physical Education Department. If you have already been involved in this fantastic program you can still enrol as the activities change each term.

Sessions will be held on Fridays after school on the Chidley Oval, from 3.20-4.20pm and are organised by *Kidz 'n Sport* qualified staff. The program covers fundamental movement skills focussing primarily on ball skills. Please note our Physical Education staff will not be in attendance.

Classes for Term 4 will commence in Week 2, Friday 23 October and run until Week 7, Friday 27 November.

Please notify *Kidz 'n Sport* before the program begins if your child has a medical condition or allergies. Coaches do not administer medication, but are qualified to offer first aid.

The fee is \$90.00 per student for the six week program which can be added to your term account or paid by cheque made payable to *Kidz 'n Sport*.

Permission slips must be returned to the PE Department **by Tuesday 20 October** to allow time to organise staffing to maximise participation for your child. No late registrations will be accepted.

Thank you for your support and, if you have any questions, please do not hesitate to contact me on 9285 4500 or Mike Mellor from *Kidz 'n Sport* on 9384 9920.

Yours sincerely

Emma Wood
Junior School Physical Education

✂

***Kidz 'n Sport* Term 4, 2009 Permission Form**

Student Name: _____ Class: _____
