Welcome

Welcome to St Hilda’s, and in particular, to the Early Learning Centre. We look forward to sharing a happy relationship with you and your child as we partner in your child’s exciting educational journey.

This information will help parents and students in Junior Kindergarten, Kindergarten and Pre-Primary to begin the academic year confidently, with knowledge of the procedures and policies applicable to each Year group. All parents will receive a more detailed Junior School Information Booklet at the Parent and Teacher Information Evening which will be held in Week 1 of Term 1.

General Information

There are a number of general procedures which apply to all three Year groups, as follows:

Absenteeism

Please telephone the absentee line 9285 4149 if your child will be absent. For longer absences, please complete and submit to the Head of Junior School the leave application form which is located on the School website.

Allergies

Please note we are an Allergy Aware School in the Junior School and Early Learning Centre. Class teachers will inform parents of any special circumstances.

Birthdays

Invitations will be distributed in class if they are for all the class members. If the invitation is for selected children only, parents are responsible for the distribution. Mini cupcakes may be brought into class for birthday celebrations.

Please check with the class teacher regarding allergies.

Change of Address or Phone Numbers

Please promptly advise your class teacher and staff at Reception of any changes.

Communication

An electronic weekly update on the website, Chidley News, provides important information and upcoming events, reminders and requirements. You are also encouraged to check the School website and online calendar (www.sthildas.wa.edu.au) for long term events and dates.

Concerns

The first port of call for parents’ concerns is the class teacher. Please make an appointment to meet with her. The Head of Early Learning and Head of Junior School can also be contacted.

Collecting your child

Students in Pre-Primary only are dismissed at the end of the day from drive-through at the McCabe Street end of the campus. There are five loading spaces and cars should move slowly into a loading space. Teachers will keep children under the portico until they see your car in the loading space, then they will bring your child to your car. PLEASE DO NOT GET OUT OF YOUR CAR. Children need to enter the car from the pavement side only.

Students in Junior Kindergarten are dismissed from their classroom door at 2.30pm. Please be mindful that the multi-purpose area remains a teaching space for other classes at this time and noise and disruption should be minimised.

Kindergarten is dismissed from the Owston Street car park portico. Please park, collect your child at 2.55pm and then leave to make room for others to park.

Extend-ED

Extend-ED is a before and after school care service based in the Early Learning Centre and is open from 7.00am to 6pm on school days and at the beginning and end of school weeks when classes are not held and it is not a Public Holiday. Breakfast and afternoon tea are provided and teachers and education assistants conduct a variety of activities and provide the best of care. Charges apply and bookings are essential as Extend-ED is licensed for only 40 children. Contacts for booking or general information are: extended@sthildas.wa.edu.au or telephone 9285 4520.

• Junior Kindergarten: Students who are not collected at dismissal time (2.30pm) from the classroom will be booked into Extend-ED and charges will apply.
• Kindergarten: Students who are not collected at dismissal time (2.55pm) will be booked into Extend-ED and charges will apply.
• Pre-Primary: Students may attend Extend-ED free of charge from 8.00am until the opening of the classroom doors at 8.15am. Students are dismissed from the drive-through at 3.00pm. Students who are not collected from the drive-through on McCabe Street at 3.00pm will be booked into Extend-ED and charges will apply.
In emergencies only: Unbooked students in these levels can remain with classroom staff for 15 minutes from the end of class time. Children will be taken to Extend-ED after this time and charges will apply.

If your child requires specific and individual medication, such as an epipen, please ensure that this is brought to Extend-ED each day they attend.

All students in these Year groups may be booked into Extend-ED from 7.00am until the beginning of their class or until 6pm after class finishes for the day. Charges apply. Please note that Extend-ED closes promptly at 6.00pm as our licence does not allow us to operate beyond this time. Late charges apply.

Please note that Extend-ED does not operate after 1.00pm on the final day of the academic year.

Please inform your class teacher if your son or daughter will attend Extend-ED after school. Each classroom has a board for you to write up your booking. The Pre-Primary whiteboard is located in the foyer of the PP to Year 2 cluster. Bookings may be emailed to extend-ed@sthildas.wa.edu.au or phoned through to Reception at Chidley campus.

Lunches
JK, K and PP students may order lunch from the Mezze via the online booking service but not morning tea. Please remember that we are an allergy aware school.

Staff in the Mezze welcome volunteer Mums and Dads. Please see the Mezze managers.

Medication and Illness
Staff members are not permitted to administer any medication without written permission from parents. Children who have symptoms such as runny noses, high temperatures and who feel unwell should not be sent to school. If your child becomes unwell at school, you will be contacted to take him/her home.

Late arrival or early departure
Children who are collected early or who arrive after classes begin, are required to collect a slip from front Reception and to give this to the class teacher. This allows us to know who is in school in case of emergency.

Parent Interviews
During the first few weeks of school, a parent-teacher interview will be held. This provides an opportunity for you to convey details about your child, his or her personality traits, interests, cognitive, physical, social and emotional development and any specific learning aspects that will help us to cater appropriately for him or her. You will be advised by the class teachers of dates and times.

Parking
The Owston Street car park is for Junior Kindergarten and Kindergarten parents only. Pre-Primary parents should park in McCabe Street car park and walk their child to class.

Pick-Up
Students in Pre-Primary should be picked up from the drive-through at 3.00pm. PP students who are not collected at 3.00pm will be taken to Extend-ED and charges will apply.

Students in Kindergarten should be picked up from the portico in the Owston Street car park at 2.55pm. Students who are not collected on time will be taken to Extend-ED and charges will apply.

Students in Junior Kindergarten are dismissed at 2.30pm from the classroom to parents, at the classroom door.

The Early Learning Centre building operates as a before and after school hours care facility. Regulations do not permit entry to the building before 8.30am and after 2.40pm unless your child is booked into Extend-ED.

Settling In
Parents have a 15 minute window for arriving at class. However, staying for approximately 10 minutes is best to help your child to settle in. Be positive about the experience, and have a routine you stick to, such as one puzzle, one story, then a kiss and goodbye.

Useful words to say are have a good day and I will see you at pick-up time.

If your child doesn’t settle quickly after you leave, teachers will phone you. They will often phone you when your child does settle quickly, just to put your mind at ease. If you need help to leave, please ask the teacher or assistant.

Sundowner
A Sundowner is held at Chidley campus on the Sunday before the academic year begins. It is hosted and sponsored by the Parents’ and Friends’ Association. All parents and students are invited to come and celebrate the start of the year. Date and time will be advised. Students who are new to the School are invited into their classrooms to meet their teachers, prior to the start of the Sundowner. Students are encouraged to wear play clothes rather than uniform to this event.

Toileting Independence
All children in Junior Kindergarten, Kindergarten and Pre-Primary must be independent in their toileting needs before beginning school.

Toys
Please do not allow toys from home to be brought to school. They can be broken or lost and this causes great distress.
