

SEQTA Engage App

SEQTA Engage is our learning management platform, providing insights into your child's academic journey and administrative details. Through SEQTA Engage, you can:

Access all academic information, including your child's timetable, reports, and assessments

Record student absences (New in 2025)

Access the opt-in Friendship list via the Contacts tab

Update your contact details and your child's photo permissions through the My Details tab

View school fee statements, invoices, and credit card details on the Finance tab

You can access SEQTA Engage via the App or desktop: <https://engage.sthildas.wa.edu.au/>

Your guide to the St Hilda's App & SEQTA Engage

Staying informed of your child's education

St Hilda's
ANGLICAN SCHOOL FOR GIRLS

Staying abreast of information about your child's education can sometimes be time-consuming. In 2025, we intend to streamline St Hilda's communications with parents, making it easier to find the information you need when you need it.

Essentially, you will need to download two Apps to your phone. The St Hilda's School App and SEQTA Engage App.

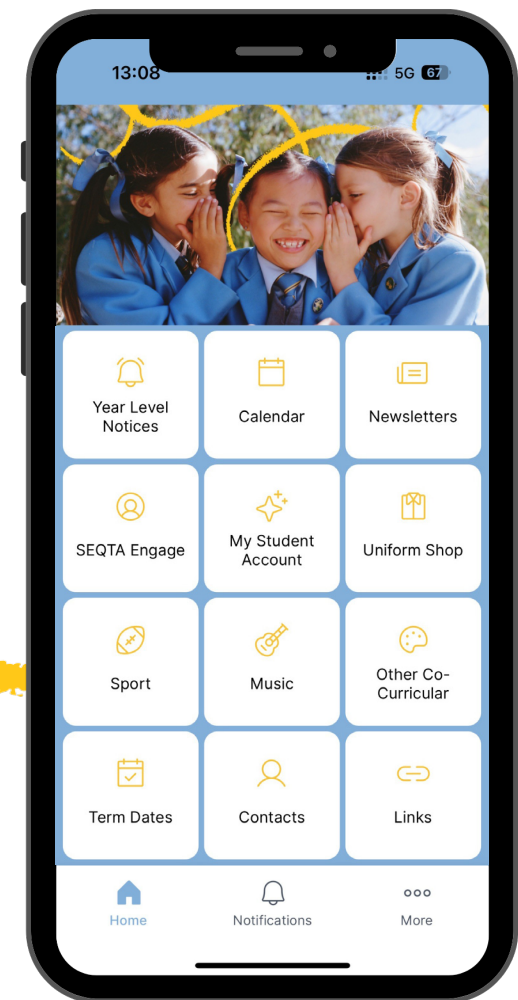

In this guide, we outline the key platforms that will support your family's engagement with St Hilda's.

Changes in 2025

- From Term 1 Week 2 2025, the username to access both Apps will be your school-issued account for example 1234@sthildas.wa.edu.au. The previous generic password for the School App will no longer work from Term 1 Week 2. This will help keep the content we share secure and means you only need to remember one account setting.
- Absentees must now be entered via the SEQTA Engage App.
- If you already have the App, please ensure your 'subscriptions' are updated to reflect your child's current year level and cocurricular activities for 2025 (once they have signed up).

St Hilda's School App

The St Hilda's School App will become our central hub for communication, key dates and information offering the following features:

If you have any issues with the St Hilda's App or your password settings, please contact our IT Helpdesk on 92854295 or helpdesk@sthildas.wa.edu.au

Year-Level Notices
Tailored updates specific to your child's year group including: booklists, camp information, event information and other critical information

Cocurricular Notices
including Music, Sport, Dance, Drama, Cadets and other cocurricular activities

Access to the School
calendar, newsletters, term dates, My Student Account (MSA), uniform shop and school contacts

Links to transport
routes, forms, policies, campus maps, Horizons West Bus service

How to access the St Hilda's School App:

- Download** the St Hilda's School App from Google Play or the Apple App Store by searching for St Hilda's Anglican School for Girls. Look for our logo to ensure you download the correct App.
- Login** using your St Hilda's issued username and password (e.g: 1234@sthildas.wa.edu.au). Please contact helpdesk@sthildas.wa.edu.au if you cannot remember this.
- To add subscriptions and turn on notifications**, please go to the 'More' button located in the bottom right-hand corner. Then go to settings. You can turn notifications on and off from here. To subscribe to your child's year level and cocurricular, click on 'Subscriptions' and choose the relevant information you wish to receive.

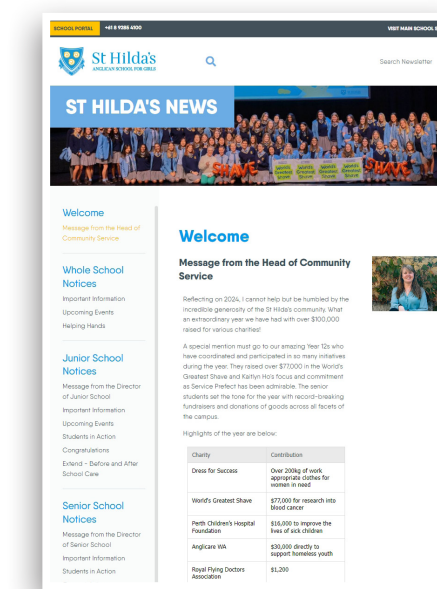

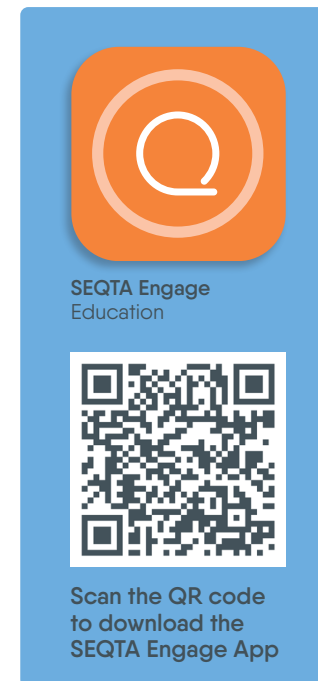

How to access the SEQTA Engage App:

- Search** for SEQTA Engage on Google Play or the Apple App Store to download the SEQTA Engage app. Look for the orange logo with the word education underneath to ensure you download the correct App.
- For further instructions** on how to set up your SEQTA Engage account, scan the QR code below:

If you have any issues with the SEQTA App or your password settings, please contact our IT Helpdesk on 92854295 or helpdesk@sthildas.wa.edu.au

Emails and SMS

We understand the importance of timely and personal communication. While the School App will be our primary platform, we will continue to use SMS for time-sensitive urgent matters. Teachers will also communicate with you via email for individual matters concerning your child.

Newsletter

The newsletter will provide a wrap-up of Junior School and Senior School activities and include all year-level notices that will now be on the App, as well as stories and photos from school activities.
